

Affidavit of Joinder instructions - How to join congressional and White House complaints as described on:

WEvGOV.com and *ToPOTUS.com*:

Printout 7 copies (sets), single page if possible, get all sets notarized, mail us 5 signed sets for us to send to Congress **with a US Postal Money Order for \$175.00 (US)**.

We will mail back to you two Certificates of Service (COS) for you to add to your two original sets.

Once you receive Certificates of Service attach them to your two sets. Now you have two sets of original documents with the Certificate of Service.

Keep them in a safe place after you make copies of them to send them to whoever you feel compelled to send them to, like the IRS, DOJ, Federal Judges, etc.
