**Re:** Verified report made pursuant to 18 USC § 4 of violations of federal felony statutes.

State of Florida                    )  
  ) **ss.**  
County of Broward                )

To all U.S. Officials and employees,

This sworn statement is filed with your respective Offices and committees as an Affidavit of Joinder to the congressional criminal complaint (**fn.<sup>1</sup>**) (along with its supplemental briefings of Aug. 2014 (**fn.<sup>2</sup>**) and Feb. 2015) filed by David R. Myrland and others (mailed Dec. 28, 2005) which details and briefs very specific conclusions relating to particular tax statutes and aspects of IRS misenforcement of the Tax Code, 26 USC. This sworn statement is also intended as an Affidavit of Joinder to the criminal complaint filed by David R. Myrland and others with the White House on or about Jan. 20, 2017 (**fn.<sup>3</sup>**) which accuses Barack Hussein Obama, Eric Holder, Loretta Lynch, and John Koskinen of felony violations of law under 18 USC §§ 241, 1341, and 1962 for conduct in kind with that complained of to Congress in the 2005 criminal complaint. Said complaints are incorporated by this reference as if fully restated herein.

I seek herewith to join the 2005 and 2017 criminal complaints. Americans are implicated as subjects of the 26 USC Ch.1 income tax through 26 CFR 1.1-1 alone, in violation of the 16<sup>th</sup> Amdt. which allows only Congress to lay and collect income taxes. I've never received any amounts in excess of the "amount paid" as compensation for our services as required under 26 USC § 83(a). (See 2005 congressional complaint, briefing at pp.25-35 of 58).

Attached hereto as **Exhibit A** is evidence of unlawful demands (26 USC § 7214; 18 USC § 872) from the IRS for sums not owed. IRS employees responsible for the illegal lien on my property are those named on **Ex.A** docs, and they are:

E.C. McDonald

R.A. Mitchell

Theresa Hartley

Deborah S. MacMillan

Sheila O'Brien

Susan A. Hansen

Each and all of these public servants will fail if asked how 26 USC § 83 operated in their conclusions I owe a tax, and they'll point only to 26 CFR 1.1-1 as proof of authority to impose the ch.1 income tax to "citizens of the United States"; they don't know their jobs.

I view the IRS as an agency that acts in rampant misenforcement as stated and supported in the complaints I'm now joining, and I object to the obvious prior knowledge and the IRS' refusal to speak of controlling provisions. Title 26 USC operates in ways briefed in the 2005 complaint to Congress and in 2017 to the White House, ways that exclude me and my activities.
